BY LAWS PASSED BY THE N. C. CONFERENCE

Records

"All ministers shall keep a record of their work, number of sermons and finances. Also use prepared blanks for making these reports." (1936, 1937.)

"The names of all deceased ministers shall be placed in the minutes." (1936)

"Each church voting for pastor shall vote by ballot; result of said ballot be forwarded to conference office not later than seventeen days before conference convenes." (1941, 1955)

Candidates for License and Ordination

"All candidates for the ministry shall have been a member of the local church six months before the convening of the annual conference, (except transfers)." (1941)

"That the conference continue the code of regulations adopted by the Board of Examiners." (1949)

"The Board of Examiners shall not consider the application of any person for admission to this conference for license or transfer from other denomination unless such person is sponsored by three Pentecostal Holiness Ministers who vouch for his or her character. (Ordained ministers coming from other denominations do not have to take the written examination.)" (1952)

Finances

"All lay members shall pay their tithes into the church treasury; that pastors encourage election to the official board of those who comply with the tithing system." (1945)

"All ministers pay seventy-five per cent (75%) of all their tithes, both ministerial and secular, into the conference treasury and one per cent (1%) of net income in order to qualify for superannuation; the remaining twenty-five per cent (25%) into the church where they hold membership or serve. Ministers who fail to put seventy-five per cent (75%) of tithes both ministerial and secular, into the conference treasury shall not be permitted to pastor a church or hold an official position in the conference." (1945, 1953, 1955)

"That all churches pay their pastors their regular salary for the Sabbath during the annual conference session. Also, they are to pay the utilities (lights, fuel, water & telephone) of each full-time pastor." (1945, 1955)

"That members of the conference board, when traveling in the interest of the conference work, be paid the rate per mile as the superintendent."

"The secretary shall prepare a ministerial financial report to determine who is eligible for support from the superannuate fund." (1943)

Work of Stationing Committee

"That the Committee on Division of Labor give due consideration where practical to churches and ministers involved in radical changes contrary to the expressed wishes of the churches." (1947)

"That the work of the Stationing Committee be conducted in short sessions over a number of days, giving the committee ample time to deliberate without becoming too fatigued through long sessions, and designating certain sessions as the time certain groups or delegates or ministers may come for interviews, and providing that no pastoral moves be made without adequate consultation with parties concerned, thereby removing at least a large amount of secrecy which has heretofore surrounded the work of the committee, and making for what we believe a more satisfactory system of labor division." (1951)

Superintendent's Vacation

"That the conference superintendent be given a two-week vacation with pay during the year. He shall be allowed to conduct one revival meeting outside the conference boundary if he so desires and pay for such services shall not apply on his salary." (1949)

Evangelistic Campaigns and Prayer Meetings

"That all evangelistic campaigns or prayer meetings conducted by our Pentecostal Holiness people within a radius of one mile of a Pentecostal Holiness Church be under the direction of the pastor or church if at all possible." (1949)

"That the moving pastor refrain from making frequent visits to his old pastorate to the extent that he may cause confusion and lack of cooperation of the church with the new pastor. Any minister who infringes on the rights of any pastor shall be referred to the official board." (1949)

Camp Meeting

"That all ministers, except superannuated, pay $5.00 per year entertainment fee." (1955)

Pastor and Evangelist's Rent

"That where there is no parsonage, all full time churches pay the pastor's house rent and charge it to miscellaneous expense and full-time evangelists shall have the privilege of deducting house rent from amount received." (1954)

Report of Committee on Conference Evangelism

We, your Committee on Conference Evangelism, submit the following:

1. That each evangelist strive to be as active as possible in his God-given commission to "preach the Word."

2. That each pastor give heed to Paul's exhortation to "Do the work of an evangelist."

(a) By making his own preaching as evangelistic as possible.

(b) By practicing and emphasizing personal evangelism among his church members.

(c) By striving to make the Sunday school an effectual agent for leading its members to a definite decision for Christ.

(d) By organizing evangelistic teams to pray for, visit, and deal with individuals who need Christ.

(e) By organizing extension Sunday schools, prayer-meetings, or evangelistic campaigns in which his own members may be used to promote the effort.

3. That an evangelism committee consisting of five persons who shall be ministers or ministers and laymen — a minister serving as chairman of the committee—be appointed in each district by the Conference Board.

(a) To study prospective points for evangelistic campaigns.

(b) To engage evangelists and arrange campaigns to be launched in various prospective locations with the aim of establishing permanent works.

(c) To establish Sunday schools that could perhaps eventually lead to Pentecostal Holiness Churches and engage for the schools competent supervisors who could live in or near the communities.

4. That each church in the various districts cooperate with and support as far as possible the work sponsored by the above committees.

5. That each pastor raise evangelistic funds for the support of meetings in his church before the meeting begins so that little attention on finances will be required during the meeting.

6. That any ordained minister after consultation with the Conference Superintendent in person, by telephone, or by mail concerning the organization of a new church shall upon approval of the organization be authorized to conduct the organization, and shall be required to send a written report of the organization to the Conference Office as soon as possible afterwards.

7. That anyone who organizes a church shall be required to follow the rule of Discipline in reading and explaining in sufficient detail the Pentecostal Holiness Discipline to all persons being received into the church.

8. That each of the above recommendations be performed with a feeling of personal responsibility to the God who has saved us, disregarding any personal gain, and fully trusting God to meet every need.

Respectfully submitted: J. Doner Lee, Chairman; McElree Purifoy, Jesse G. Daniels, J. Everette Eatman, W. D. Atkins.

Report of Committee on Sunday Schools

We, your Committee on Sunday Schools, submit the following:

1. That every church and mission in our conference have an active Sunday school, and that our teachers emphasize our cardinal doctrines in their presentation, including Tithing.

2. That the Sunday School Board consist of a President, Vice-President, Secretary-Treasurer and two members to complete the board.

3. That duties of the president with the assistance of the vice-president shall include assisting and advising each pastor in presenting Christian Workers' Courses and otherwise supervising and maintaining contact with the conference superintendent on the accomplishments of a genuinely aggressive Sunday school program.

4. That the Conference Evangel be the medium of publication of the Sunday school activities.

5. In case the Sunday School Superintendent is not a member of the church official board, the chairman of the board may invite the superintendent to meet with the church board to assist in nominating Sunday school teachers.

6. That the Sunday School Board serve as Nominating Committee for the Annual Convention which convenes Friday before First Sunday in May, 1956.

7. That the Sunday school records close with the last Sunday in April.

8. In view of the great departure from family prayer and Bible reading in the home, we recommend that the pastors and Sunday school teachers be asked to emphasize and promote family worship in each home represented in our Sunday schools.

9. 12. That each Sunday school have an extension department; and enrollment and average attendance be added to the main roll.

14. Each Sunday school should use Pentecostal Holiness literature. (This does not prevent the additional material used.)

15. That each Sunday school have an active home visitation department.

Respectfully submitted: W. Harvey Morris, Chmn.; C. L. Turpin, H. D. Marshburn, Conrad N. Hall, Roland Watson.

4. That the election of the W. A. officials be confirmed and the reports of the W. A. Convention be approved by this conference.

tations in all the churches by missionaries on furlough or prospective missionaries.

Respectfully submitted: Miss Ethel Strickland, Chmn., Mrs. Joe L. Russell, Sr., H. M. Pope, J. W. Berry, Fred H. Cross.

Report of the Committee on Education and Publication

Your Committee on Education and Publication notes the growing interest in reading and study among ministers and laymen of the Pentecostal Holiness Church, and expresses gratification for the continued interest in Christian Education in the North Carolina Conference.

To the end that this interest may be advanced, we, therefore, recommend:

1. That we record our endorsement of the general educational program of the denomination and pledge our sincere efforts to support the institutions of higher learning, namely, Emmanuel College, at Franklin Springs, Ga., and Holmes Bible College at Greenville, S. C.

That a representative of Emmanuel College be invited to tour the North Carolina Conference in the interest of the college and student recruiting; and that local churches be urged to name a representative to serve in the Laymen's Association in aiding the college program.

2. That prospective ministers considering admission to the North Carolina Conference enroll for courses of study in one of these colleges, and if residence work is not feasible, we urge their registration for such Correspondence Courses as may be offered by our church-related colleges.

3. That our ministers and laymen give support to public education and through their efforts promote a higher standard of morals in our schools and colleges, encourage Bible reading in schools, and insist upon respect for convictions in safeguarding our children and youth in matters of individual conscience.

4. That the North Carolina Conference sponsor the Christian Workers Institute in 1956 and request that the Institute plans and program be developed by the Conference Official Board.

5. That our local churches conduct a course of Bible study together with a study of the Articles of Faith of the Pentecostal Holiness Church, and urge our pastors to lead their congregations in increasing their knowledge of Biblical truth and efficiency as Christian workers.

6. That the local churches plan and direct a Daily Vacation Bible School.

7. That the Conference Official Board give consideration to providing financial aid, either through a grant in scholarship fund or a scholarship loan, to ministers who are attending colleges and or theological schools and who may find economic resources inadequate for them to complete their school work.

8. That a Digest of the Articles of Faith and General Rules of Conduct be summarized from the Discipline of the Pentecostal

Holiness Church, prepared and published for distribution to families in our local churches and to prospective members, and that this request be forwarded to the General Board of Administration for consideration in making such a periodical available on a church-wide basis.

9. That the family altar be commended to all our homes and that Bible reading be supplemented with devotional books and periodicals. We would further encourage our families to provide interesting and inspirational reading matter and literature for the different age levels of the members of our families. In this connection we would commend the North Carolina General Assembly for enacting a law against comic books portraying crime, sex, and contempt for law.

10. That we continue monthly publication of The North Carolina Conference Evangel, the subscription rate 50 cents annually. Receipts from subscriptions are to be forwarded to the Conference Office and the deficit in publishing costs from subscriptions will be underwritten by the Conference Treasurer. We recommend the Editor and Business Manager be elected by the Annual Conference.

11. That periodicals and educational materials be purchased from the Pentecostal Holiness Publishing House, and our membership urged to subscribe to **The Pentecostal Holiness Advocate, The North Carolina Conference Evangel,** and **The Leader,** Youth publication. We also endorse the Book Club Plan recently announced by our Publishing House and urge its support to circulate good literature.

12. That 2,500 copies of the minutes of this Annual Conference session be printed.

13. That pastors and lay delegates educate the members of their congregations in matters adopted by the Annual Conference in the first business session following this conference session.

14. That ministers and local churches establish friendly and cordial relations with the editors of their local newspapers and managers of radio stations in their home community. This acquaintance and understanding will help The Pentecostal Holiness Church to be correctly identified and properly recognized as a part of the religious life of the community and help to offset incorrect use of the Name of The Pentecostal Holiness Church and improper use of the name of the church in an unauthorized and unscrupulous manner.

15. That we make use of the radio and television facilities available within the boundaries of the North Carolina Conference, but that production of radio programs and broadcasting of services be done in keeping with good practices in religious broadcasting.

Respectfully submitted: James W. Butler, Chmn.; W. G. Batten, Ralston Butler, M. D. McPherson, J. D. Nicholson.

Report of Committee on Finance

We believe the Holy Scriptures plainly teach that paying tithes and giving free-will offerings is God's established plan for the support of His work. There can be no improvement upon this divine teaching. We therefore recommend that all members of

the Pentecostal Holiness Church, both ministers and laymen, carefully follow this plan as set forth in the Holy Bible and the Discipline of our church.

In keeping with this truth, we, your Committee on Finance, recommend:

1. That in case of pastoral change, the local church shall be responsible for the moving expenses of the incoming pastor.

2. That the local church support the Conference financial program by sending ten (10%) per cent of its tithes and offerings each month to the treasury of the North Carolina Conference.

3. That the funds raised by each local church for the General Budget, namely, World Missions, Orphanage, Education, etc. be sent monthly to the Conference Treasurer. He will forward such funds to the General Treasurer monthly. The amount raised by each local church for the General Budget should equal $7.00 per member per year as prescribed by the General Conference.

4. That churches complying with this recommendation be permitted to give and ear-mark special offerings.

5. That both ministers and churches be prompt in paying their tithes monthly and that final payments for the Conference year ending July 31 be in the Treasurer's hands by August 8.

6. That the Conference Superintendent, in keeping with living costs being at an all-time high, be paid $4,940 per year. That he also be paid five cents per mile for official travel. Any offerings received within the Conference shall be credited to his salary.

7. That the Conference Treasurer pay for utilities (electricity, fuel, telephone, water) in the Conference parsonage.

8. In view of the emphasis across America toward providing better income for ministers of the Gospel, and in view of our feeling that an adequately supported minister can and will do a better job, we suggest:

(a) That each local church pay the parsonage utilities (electricity, fuel, telephone, water), separate and apart from the regular salary of the minister. In cases where the minister does not occupy a parsonage, we suggest that his utilities be paid by the church, or an allowance be made for same.

(b) That the local Church Official Boards review the minister's salary at least each year and grant increases in salary in keeping with his diligence and merit and the growth of the church for which he is largely responsible.

(c) That the Conference Superintendent be expected to take the initiative in conferring with local Church Boards in the matter of better pastoral support where this need is evident.

9. That the Conference Treasurer be sufficiently bonded immediately.

10. That all ministers be required to comply with the Conference system in paying tithes, but in the case of a superannuated minister where real need is evident, at his request, the Conference Board may make a donation to him that would be equivalent to the tithes that he has paid to the Conference Treasury.

11. That the following appropriations be made:

A. Fifteen (15%) per cent of Conference tithes for Evangel-

ism; twenty-five (25%) per cent for Conference Superannuation; one (1%) per cent for General Superannuation.

B. For the present setting of the Conference:

Presiding officer, Bishop J. A. Synan	$300.00
Emmanuel College	$300.00
Holmes Bible College	$300.00
Allied Church League	$100.00
Conference Secretary	$ 50.00
Conference Treasurer	$ 35.00

C. Salary of Conference Secretary: $10.00 per month.
Salary of Conference Treasurer: $35.00 per month.

D. That the Conference Board consider raising the salary of the Superintendent's Secretary.

Respectfully submitted: C. C. Cribb, Chmn.; Bailey C. Lewis, George A. Casper, E. W. Downing, W. S. Wellons.

Report of Committee on Resolutions

We, your Committee on Resolutions, recommend the following:

1. That the 1956 camp meeting embrace the third and fourth Sundays in August.

(a) That the annual conference begin on Friday before the fourth Sunday in August at 2:00 p. m.

(b) That the conference year close July 31st.

(c) That all church reports be forwarded to the conference office by August 8th.

(d) That all church and minister's tithes be forwarded to the conference treasury by August 8th.

2. That the conference board have charge of entertainment and management of the camp meeting, including the restaurant, and that we continue the same financial system of entertainment.

3. That a Nominating Committee composed of five (5) members be elected by this conference to nominate all committees, and the conference superintendent serve as chairman.

4. Since we, the North Carolina Conference, have taken the necessary steps to improve and increase the valuation of our present property, we recommend the conference board take the necessary steps in maintenance of our property at Falcon.

5. We recommend that all connectional societies of the church using the conference facilities at Falcon be responsible for any and all breakage or damage of said facilities.

6. That our churches refrain from conducting major business meetings on the Sabbath Day.

7. That the conference treasurer's books be reviewed at the discretion of the conference official board.

8. By request of the Sunday School Board and Youth Board we recommend:

(a) That the Sunday School Board and Youth Board meet with the conference board in the 1955-56 conference year at the call of the conference superintendent, to work out an advisable plan for a program of a full-time Christian Educational Director and present the recommendation at the setting of the Annual Conference in 1956.

(b) That if during the conference year the three (3) boards can work out a workable plan that they be given the authority to appoint the full-time man as early as the details may be worked out.

9. That ministers charge five (5) cents per mile for traveling expenses in connection with their ministerial work.

10. That a standing vote of thanks be given Bishop Synan for the services rendered during camp meeting and conference, and that a standing vote of thanks be given all the workers during the camp meeting and conference.

Respectfully submitted: W. W. Thomas, Chmn.; Glenn I. Bailey, James W. Johnson, Forest L. Daniels, Elton Lancaster.

Report of Conference Superintendent

I am glad I can say I love God today. I am saved, sanctified, and the Holy Spirit abides in my heart and life.

I appreciate the Pentecostal Holiness Church and I glory in the privilege I have to preach and uphold its doctrines.

I appreciate the confidence this Conference has placed in me. I have endeavored to live true to the trust.

Services Rendered

I have served as Conference Superintendent to the best of my ability. I have preached 137 times; had the management of Falcon and Chocowinity Camp Meetings; made 125 church visitations; conducted short revivals in four churches, Ebenezer, Bethel, and Shiloh in this Conference and Lancaster in South Carolina Conference; was in attendance at 7 Fellowship Rallies.

I presided over 18 district conferences, 14 board meetings, conducted 4 Dedicatory Services: Lumberton, Mt. Carmel, Belfast parsonage, Conference Cafeteria.

I had charge of the Christian Workers' Institute; attended the P.H.Y.S. Convention and Woman's Auxiliary Convention.

I served as General Board Member; attended the General Board Meeting in Oklahoma City; have served as Orphanage Board Secretary and attended 7 Orphanage Board meetings.

In the office we have gotten out 2,385 letters; 490 postal cards; (some of these were mimeographed copy); we have had 528 visitors on business calls in the office.

I have traveled approximately 25,000 miles in connection with this work.

Finances

I have received $4,950.00 for service rendered. I have been paid 5c per mile for 16,000 miles of my traveling expense.

I have paid $580.26 Tithes.

Progress

The conference is still making progress; for this we are thankful. We have organized or taken in the Conference the following churches: Greenleaf, Micro, Fellowship, Smithfield, and New Hope. We have had a net gain in church membership of 222. The Sunday School and P.H.Y.S. also have made progress and have

increased in membership. Total membership in the churches at close of year—6,276; Sunday school, 14,521; P.H.Y.S., 4,922. The Woman's Auxiliary has made a substantial increase also.

This work affords concern and anxiety but it also affords joy in knowing the will of God and having the courage to pursue it with a consciousness of knowing the reward is at the end of the way. I can say truely, I only want God's will for my life.

—W. Eddie Morris, Supt., N. C. Conf. of the P. H. Church, Inc.

Report of Committee on Memoirs

We, your Committee on Memoirs, submit the following report:

We find in reading and studying the Holy Bible that God, in His wisdom, has endeavored, from the beginning, to teach, lead, and direct man through this dark world and save and bring him to Heaven. He used angels to instruct and lead His people, and later men who were called to be prophets and apostles were led to preach, teach and lead His children down through the ages. The Law was given by Moses and was administered to several generations to and for His people to obey and be saved.

In these latter days, God sent forth John the Baptist and Jesus Christ, His only Son, to preach and teach the Gospel, according to the New Testament. As a result of this effort, men were saved, sanctified, and baptized with the Holy Ghost and became disciples of Christ. Jesus then sent out men who were called and anointed with His Spirit and gave them power to Preach His Gospel. Among these were the Apostles: Matthew, Mark, Luke, John, and Paul, and their successors.

In God's wisdom, He called the Rev. J. G. Spivey and the Rev. J. Luther Davis, two of His faithful disciples, whom He saved, sanctified, and filled with the Holy Ghost to preach His Gospel in all of its fullness. Both of these men heeded the call and faithfully labored for a goodly number of years and, in turn, made many disciples for Christ, endeavoring to feed the sheep and the lambs in their pastoral activity.

Both of these men were humble in spirit, loyal to their call, and diligent to duty as long as they were physically able to render service. We believe they met the final summons with full preparation.

We extend to the bereaved relatives of Brothers Spivey and Davis our tender sympathies, and pray and urge all the consecrated membership of this conference, to continue to be faithful, loyal, humble, and submissive to God's will, and be prepared to meet God with a completed work.

Humbly submitted: A. H. Butler, Chmn.; Joe L. Russell, Jr., H. Willard Watson.

Report of Committee on Christian Education

We, your committee, recommend:

1. That the Sunday School Official Board, including the District Directors, continue to promote the Christian Worker's course as recommended by the General Sunday School Convention.

2. That the Conference Board arrange to include a class on Teacher Training in the curriculum of the Christian Workers' Institute. We suggest using one of the text books specified in the Christian Workers' Course.

3. That there be officers and teachers meetings held regularly, preferably once a month, to discuss the problems of the Sunday school and general advancement thereof.

4. That each Sunday school arrange for a teacher training course during the year. We further recommend that, in case of our smaller churches not being able to afford a Teachers' Training Course, the District Director endeavor to arrange the financial assistance from the treasury of the Conference Sunday School Association.

5. We suggest that, where practicable, pastors conduct weekly meetings for the instruction of teachers and prospective teachers in the Sunday school lesson and Christian Workers' Course.

6. In appointing district directors, we suggest that the Sunday School Board give special consideration to the laity, because of the inadvisability of pastors visiting during the Sunday school hour. And that the duties of the directors be prescribed by the Conference Sunday School Board.

7. That pastors be urged to share any workable Sunday school ideas with the Conference Sunday School Association President who shall in turn make them available to all the pastors of the conference.

Signed: Ralph R. Johnson, Chmn.; Conley C. Cribb, Mrs. Hubert A. Morris, W. A. Crawford, Jr.

Report of Committee on Resolutions

Due to the fact that in our Sunday schools we are helping to prepare and train the church of tomorrow, we recommend the following:

1. That every church and mission in our conference have an active Sunday school, and that each strive to promote at least one extension Sunday School.

2. That the Board of the North Carolina Sunday School Association, be composed of a President, Assistant President, Secretary-Treasurer, and two board members.

3. We recommend an early meeting between the Sunday school and P.H.Y.S. boards, to discuss the possibility of a full-time educational Director and if their findings are favorable that these be submitted to the conference for adoption.

4. The duties of the President with the Assistant President shall include, assisting and advising each pastor in presenting the Christian Worker's courses, and otherwise supervising and maintaining contact with the conference superintendent on the accomplishment of a genuinely aggressive educational program.

5. That a written report be furnished the President monthly from each local Sunday school providing him with statistical information and other accomplishments of their school.

6. That the Conference Evangel be the medium of publication of Christian Educational activities.

7. That the minutes of this convention be incorporated with the Minutes of Annual Conference, and that mimeograph copies of committee reports be sent to each church as quickly as possible.

8. That we endeavor to attain a record breaking increase in Sunday school expansion during the ensuing year in all our churches.

9. That the dates for 1956 convention be worked out by conference board and Sunday School Board.

10. That the Sunday school records close with the last Sunday in April.

11. That the secretaries of the local Sunday school forward to the convention secretary the names and addresses of the local superintendents and secretaries.

12. That the program of today be inserted in the minutes of the convention.

Respectfully submitted: W. E. Thompson, Chmn.; Mrs. A. G. Register, Elery Pernell.

I have endeavored to promote the purpose of the Woman's Auxiliary, "To promote the welfare and spirituality of the home. church and community."

Your prayers have strengthened me, your advice and cooperation have been welcomed and appreciated.

I have served as chairman of four board meetings, traveled approximately 8,927 miles, received 5c per mile for 4,500 miles, arranged two monthly programs, served as editor of the Woman's Page in the Evangel, conducted 11 district rallies, represented the N.C.W.A. at the School Caravans, cooperated with Harvest Train for Falcon Orphanage,, also assisted in arranging the program for this annual observance, attended Regional, served with Mrs. Berry and Mrs. Williams on program committee for the rally, sent out approximately 1,500 pieces of mail (including several monthly programs) attended 9 district conferences, arranged program for W. A. session at Christian Workers Institute, served as purchasing agent for W. A. Bookstand, served as chairman of conference project committee, prepared article for "Helping Hand" and visited many local auxiliaries.

I have endeavored to remember all requests for prayer, and to represent the women of the N.C.W.A. on occasions such as funerals and social gatherings. I attended open house in honor of Mr. and Mrs. McCartney, retiring superintendent and secretary, and Mr. and Mrs. Charles Bradshaw, succeeding superintendent and secretary of the Falcon Orphanage. I was present at the formal opening of the conference dining room.

I have enjoyed working with the members of the W. A. Board. I have had 100% cooperation from these fine women who have served you for the past year.

It is as we work together for Christ that we can go forward proclaiming this great Pentecostal truth.

—Your Co Worker, Mrs. Joe L. Russell, Sr.

Woman's Auxiliary, N. C. Conference

It is with gratitude to God and appreciation to the North Carolina Conference Board, the General W. A. Officials, the W. A. Conference Board, the pastors of this conference, all local W. A. officers and to each W. A. member that I give this report.

Reports from the ninety-two auxiliaries of the North Carolina Conference reveal that the integration of the program of study and service of the women of the church is developing our spiritual resources, enlarging our concept of responsibility and strengthening our activities.

Spiritual growth is noted by the increased interest in Bible reading, prayer services sponsored, visitation, evangelism and benevolent deeds.

Further progress is shown by the eleven new auxiliaries organized and the four auxiliaries re-organized. Thirty-seven reported as cooperating 100% with conference project, 11 receiving a gold certificate for meeting the ten point standard, with a larger number receiving a silver certificate for having met the W. A. standard 90%.

Offerings amounting to $331.42 have been given to our church schools Emmanuel and Holmes.

Thirty-eight auxiliaries have given their pro rata part to the general project amounting to $401.00.

Advanced planning of district rally programs stimulated interest and strengthened fellowship among the women of the church.

As a result of efforts to encourage W. A. women to support the Falcon Orphanage, several auxiliaries have accepted the adoption plan of clothing an orphan child.

Missionaries in China, Costa Rica, India and Africa were remembered with Christmas gifts.

The conference project, which was to place picnic tables, park benches and garbage disposals on the grounds at Falcon, has been completed.

The N. C. Conference was represented at the Regional Rally by sixteen of its members.

For the accomplishments we thank God and pray earnestly that He will guide us to greater works.

—Mrs. Joe L. Russell, President.

Report of Christian Service Committee

In view of the alarming breakdown in family worship, we urge each W. A. to organize an aggressive program to enlist the cooperation of each member to set up a family altar. We suggest a list of appropriate material for such worship be made available to the members and that they be given all the assistance necessary to obtain it.

We urge each member to set up a standard of Holiness in her own home that would encourage wholesome personal habits, entertainment and mode of dress among her family. Especially we admonish those members who are mothers to consider their solemn obligation before the Lord to train up their children in the way they should go and to realize that these children will be the members of the Church of tomorrow.

We recommend the expansion of personal work and soul winning by the auxiliary members with a program to include the visitation of the sick and the shut-ins in homes, hospitals and in prison camps and jails. We suggest that Christian literature be distributed in these places.

We recommend that our women cooperate and work with the Woman's Christian Temperance Union.

In view of the serious world conditions of our day, we recommend that prayer be offered for our military service men and women, and National and International leaders.

Respectfully submitted: Mrs. C. R. McCartney, Mrs. Norman Taylor, Mrs. Howard Royall.
